RE: Tax-deductible donation to non-profit  
UUCSR Raffle & Auction, **March 2, 2019**

Dear Friends,

We, at the Unitarian Universalist Congregation Santa Rosa, like to think of ourselves as a community within a community. We function as a performance venue known as the Glaser Center, a meeting place for many community groups; a spiritual resource that welcomes all regardless of ethnicity, sexual orientation, or concept of the sacred; and an active advocate for social justice.

As part of our yearly big fundraiser to be held on March 2, we will be raffling off a number of prizes donated by area businesses. We hope that you will consider donating a gift certificate or goods in kind this year.

UUCSR's outreach in the community and commitment to social responsibility is evidenced by our sharing of our Sunday plate collections. Each year, we donate around \$25,000 to local charitable organizations (sample listing below). Also, we have been providing a healthy breakfast at our facility every Saturday for over a dozen years to anyone who needs it--around 120 to 180 people each week. You can help us maintain this level of engagement.

For your records, our non-profit Tax ID number is 94-2260393.

Thank you for your consideration,  
Dee Ray, 707-843-7816
